PROFESSIONAL SUMMARY

Amanda Cawley is an award-winning orchestral composer specializing in music for film, television, and games. She creates rich, narrative-driven scores that translate story concepts into expressive musical themes, using detailed orchestration and carefully crafted motifs to enhance character and emotion.

With a strong attention to detail and a collaborative approach, Amanda works closely with creative teams to ensure her music aligns seamlessly with each project's vision. Her experience spans internationally recognized productions and global clients, reflecting both her versatility and professionalism in delivering compelling, story-focused compositions.
